SilverPlatter Reduces ATLA Religion

SilverPlatter has reduced the price of the ATLA Religion Database by 10 percent. All new sales and renewals will now pay this lower price. Libraries ordering the 10-year file don't have to pay the backfile fee.

ECONLIT Price to Increase

SilverPlatter is increasing the price of ECONLIT monthly/quarterly by 3.5 percent as of July 1. Also as of July 1, user bands 5-8 and 9-12 are being consolidated into one user band of 5+ users.

SilverPlatter Adds New Databases

SilverPlatter is making three new databases available on the web and on CD-ROM.

- Wilson Art Retrospective, H.W. Wilson, will be available in two phases -- 1972-1984 and 1929-1971. Buyers will receive both releases for a one-time sign up fee.
- Wilson Short Story Index Electronic Edition is the electronic version of the print standard Short Story Index, an index to short stories written in or translated into English that have appeared in collections and selected periodicals.
- Wilson OmniFile Full Text Select covers business, humanities, science and social sciences journals,

Readers' Guide Abstracts and core journals in disciplines such as art, architecture, engineering, library and information sciences. Coverage is from January 1994 to the present, updated monthly.

SilverPlatter Revises Web Site

SilverPlatter Information has launched a new corporate web site: www.silverplatter.com. It features online technical support, easy-to-navigate menus, enhanced database collections with keyword searching and a site map.
